INSTRUCTIONS: Add the number of items ordered in each type of award (statuettes, framed certificates, unframed certificates, Combination Special). Multiply the number by the cost of the duplicate award and put the total in the Subtotal box. Calculate the shipping cost for each type of order based on quantity, and enter that amount in the Shipping box. Calculate your total cost. If ordering more than three of any one item, you need to contact the festival office to get the shipping costs.
